- (s) carry out and promote the carrying out of research in livestock production while conserving the environment; and
- (t) perform such other functions as are conferred upon TALIRI for the purpose of promoting livestock research and development.

(2) Without prejudice to the generality of subsection (1), the Institute may carry out and promote basic and applied research or any other type designated to provide effective measures for reference by scientists in co-operation with any person within or outside Mainland Tanzania.

(3) For the purposes of the better performance of its functions, the Institute shall establish and maintain a system of consultation and cooperation with any person having functions related to those specified in subsection (1) or which relate to livestock or environmental research or to scientific development generally.

Centres of the
Institute

6.-(1) The Minister shall, upon the advice of the Board, establish such number of centres of the Institute for the purpose of performing functions of the Institute as may be required.

(2) The Centres specified in the First Schedule to this Act shall be deemed to have been established under this section and the control and management of their business and affairs is hereby vested in the Institute.

(3) The Minister may, upon advice of the Board and by order published in the *Gazette*, amend, add to, vary or replace the names of the Centres specified in the First Schedule.

(4) The Minister may, after consultation with the Board and by order published in the *Gazette*, establish other Centres and vest in the Institute the control and management of the business and affairs of the Centres.

(5) The Institute shall, upon application in terms of the provisions of the relevant laws, be granted a right of occupancy over the land on which a Centre exists or is intended to be established.

(6) All land held by the Institute in accordance with this section shall be exclusively used for the purposes of the livestock research, and the Institute may, in relation to the land—

- (a) manage or use it in such manner as may be desirable for the better performance of the functions of the Institute;
- (b) graze livestock and do any other thing in relation to the land or livestock;
- (c) enforce within that area of land, such restrictions or regulations as the Board may approve; or
- (d) provide for the depositing and propagating of species of livestock as the Board may, with the advice of the Director General, determine for the purpose of improving, conserving or experimenting such species of livestock.

Departments
and Sections

7. The Institute may form such number of departments, technical committees and sections or units with prescribed functions as the Board may determine.

PART III

THE TANZANIA LIVESTOCK RESEARCH INSTITUTE BOARD

Establishment
of the Board

8.-(1) There is established a board to be known as the Tanzania Livestock Research Institute Board.

(2) The Board shall consist of the Chairman to be appointed by the President from amongst persons with knowledge and experience in livestock and other members to be appointed by the Minister as follows:

- (a) a representative from university faculty responsible for veterinary sciences;
- (b) a representative from an association of livestock professionals;
- (c) a representative from an institution of higher learning offering a course in livestock production;
- (d) a representative from the Commission for Science and Technology;
- (e) a representative from the Ministry responsible for crop research;
- (f) a representative from the Ministry responsible for livestock research;
- (g) the Director of Central Veterinary Laboratory; and
- (h) two representatives from private sector organizations dealing with livestock industry.

(3) The provisions of the Second Schedule to this Act shall have effect in respect of the tenure of office of members, proceedings of the Board and other matters relating to the Board.

(4) The Minister may, by order published in the *Gazette*, amend the Second Schedule.

(5) The Director General shall be the secretary to the Board.

Functions of
the Board

9.-(1) The Board shall, subject to the provisions of this Act, be responsible for the performance of the functions and management of the affairs of the Institute.

(2) Without prejudice to the generality of subsection (1), the functions of the Board shall be to—

- (a) advise the Minister on all matters relating to livestock research;

- (h) perform such other functions as may be directed by the Minister.

Committees of
the Board

10.-(1) The Board may, for purposes of facilitating performance of its functions and upon such terms and conditions as the Board may specify, form committees to perform any specific functions.

(2) The provisions of the Second Schedule to this Act shall, unless otherwise stated in writing by the Board, apply *mutatis mutandis* in relation to the committees and sub-committees appointed under this section.

Delegation of
powers of the
Board

11.-(1) Subject to subsection (4), the Board may, upon such terms and conditions as it may determine, delegate to a committee or to any employee of the Institute any of its functions under this Act.

(2) A delegation may be made to the holder of an office, under the Institute specifying the office but without naming the holder, and in that case each successive holder of the office in question, and each person who occupies or performs the duties of that office, may, without any further authority, exercise the delegated functions or powers in accordance with the delegation made.

(3) The Board may revoke a delegation made and no delegation so made shall prevent the Board from exercising the function or power delegated.

(4) The Board shall not delegate its power of delegation or the power to approve the annual budget, the annual balance sheet or a statement of accounts.

Direction by the
Minister

12. The Minister may, subject to the provisions of this Act, give to the Board directives of a general or specific nature regarding the performance of functions by the Institute and the Board shall give effect to such directives.

PART IV

ADMINISTRATION AND OPERATIONS OF THE INSTITUTE

(a) Administration

Appointment of
Director
General

13.-(1) The President shall appoint a Director General from amongst persons with knowledge and experience in research on livestock production and upon such terms and conditions as the Minister may specify in the letter of appointment.

(2) The Director General shall hold office for a term of five years and may be eligible for re-appointment for an additional final term of five years.

(3) The Director General shall-

- (a) be the chief executive officer of the Institute;
- (b) be responsible to the Board for administration and management of the Institute;
- (c) be a disciplinary authority in respect of the staff of the Institute; and
- (d) discharge such other duties relating to the Institute as may be directed by the Board.

(4) In the discharge of duty, the Director General may, subject to such general or specific directions given to him by the Board, issue operational guidelines to all or any of the officer in-charge.

Appointment of other senior officers of the Institute

14.-(1) The Board shall, in respect of each centre, department and section of the Institute, appoint qualified persons from amongst senior officers to be officers in charge of the Centre, Heads of Departments and Heads of Sections.

(2) The terms and conditions for appointment under this section shall be prescribed in the letters of appointment.

Employment of other staff

15.-(1) The Board may employ such number of other professional and non-professional employees of the Institute as it may consider necessary for the proper and efficient conduct of the business and activities of the Institute.

(2) Subject to sub-section (1), remunerations and other matters relating to the employees of the Institute shall be prescribed by regulations.

(3) Subject to the general or specific directions given by the Board in that behalf, the Director General may employ such number of supporting staff for the proper performance of the functions of the Institute.

Procedure for appointment

16. The Minister may, by regulations, prescribe procedures for appointment of various categories of employees and other staff of the Institute.

Protection from personal liability

17. Anything done in good faith by any member of the Board or a Committee or by an employee of the Institute in the execution or purported execution of his duties under this Act shall not render such member or employee personally liable for the act or thing done.

(b) Operations of the Institute

Livestock
research
activities

18.-(1) Research on livestock carried out by the Institute shall focus on the following areas:

- (a) milk production;
 - (b) meat production;
 - (c) livestock by products;
 - (d) animal genetic resources of cattle, sheep, goats, chicken, ducks, pigeons and other livestock species;
 - (e) animal health;
 - (f) draught power, biogas, animal welfare and behavior;
 - (g) value addition, marketing and trade as well as policy;
 - (h) socio-economic aspects of livestock production; and
 - (i) any other area the Board may consider necessary.
- (2) In undertaking research activities, the Institute shall-
- (a) ensure that research is carried out in accordance with the ethics and standards prescribed by guidelines;
 - (b) be responsible for-
 - (i) the management and reporting of the research outputs to the Institute; and
 - (ii) co-ordinating researchers at various Centres.

Conduct of
research by
local researcher

19.-(1) A person who wishes to conduct research on livestock shall develop a proposal in an identified priority research area and furnish the proposal to the Institute for approval.

(2) The proposal shall contain the following:

- (a) title of the intended research;
- (b) background information;
- (c) materials and methods to be used;
- (d) cost of research and source of funding;
- (e) results on data analysis;
- (f) references or bibliography; and
- (g) any other information the Institute may consider necessary.

(3) The Institute shall, where it is satisfied with the contents of the proposal and within thirty days, approve the proposal.

(4) The Institute shall, where it has approved the proposal under subsection (3) -

- (a) determine the provision of funds for the approved research proposal;
- (b) specify a timeframe within which the proposed research shall be accomplished; and
- (c) require the researcher to submit his completed research to the Institute for registration and custody.

(5) A researcher whose proposal is approved under this section shall be obliged to furnish the Institute with the progress report on the research at such intervals as the Institute may determine.

Foreign
researchers

20.-(1) A foreign researcher who wishes to carry out research under this Act shall, prior to submission of research proposal to the Institute, apply to the Commission for Science and Technology for certificate of clearance.

(2) The Institute shall, upon approval of the proposal submitted by foreign researcher, ensure that the foreign researcher has a local co-researcher.

(3) Notwithstanding subsection (2), the Institute shall not approve the research proposal by foreign researcher if the foreign researcher has no local co-researcher.

(4) The provisions of sections 18 and 19 shall apply *mutatis mutandis* to foreign researcher.

Failure to submit final report on research

21. A researcher who fails or refuses to submit to the Institute the final report of the research as required under section 19, commits an offence and is liable on conviction -

- (a) in the case of local researcher, to a fine of not less than ten million shillings or to imprisonment for a term of six months; and
- (b) in the case of foreign researcher, to a fine of not less than twenty million shillings or to imprisonment for a term of one year.

Termination of research

22. Where the researcher-

- (a) fails, without good cause, to submit the progress report within the intervals as determined by the Institute; or
- (b) submits a report which is not satisfactory, the Institute may terminate the research and require the researcher to refund the Institute all the funds granted to him for the purpose of the terminated research.

Institute may call for information

23.-(1) The Institute may, in writing, require any person who engages in livestock research or other allied scientific research to provide to the Institute information relating to the research or other allied scientific research conducted as the Institute may specify.

(2) A person who fails or refuses to submit information as required under subsection (1), commits an offence and is liable, on conviction to a fine not exceeding two million shillings or to imprisonment for a term not exceeding twelve months.

Co-ordination
of researches
carried out
outside
Tanzania

24.-(1) Where a person desires to sponsor any livestock production research using scientific materials from Tanzania to be carried out outside the country or to make payments for the purpose of participating in livestock production research project outside Tanzania using such materials, that person shall submit in writing his proposal to the Director General.

(2) Upon receipt of proposals submitted pursuant to subsection (1), the Director General shall within seven days after consultation with the person who submitted the proposals, make the decision on the proposal for the best interests of livestock research or other allied scientific research in Tanzania.

(3) Every decision made by the Director General under subsection (2) shall be binding upon persons to whom the proposal relates.

(4) A person who is aggrieved by the decision of the Director General may, within twenty one days from the date of such decision, appeal to the Board.

(5) For the purpose of giving effect to the provisions of this section, the Board may issue guidelines specifying the conditions to be considered in making proposals and matters which the Director General shall take into consideration in making any decision under this section.

(6) The Minister may, in writing, exempt any person from the provisions of subsection (1).

Provisions
relating to
discoveries

25.-(1) Where as a result of any research carried out by or on behalf of the Institute anything is discovered, the discovery shall become the property of the Institute.

(2) The Institute may, for the purposes of commercial exploitation of any discovery which the Institute considers important for the improvement of animal production, arrange with any person to buy, sell, take or grant patent rights in the discovery, subject to such terms and conditions as the Board may determine.

(3) Every discovery made as a result of livestock production research or other allied scientific research carried out under this Act shall be registered by the Institute in such form and upon such conditions as the Minister may, by regulations prescribe.

(4) The Institute shall, with the prior approval of the Minister, develop a rewarding system and grant reward to any person who makes a discovery or who materially assists or contributes to the making of that discovery to appreciate and honour the researcher.

PART V
